

SAMPLE TEST

Example Problem:

Which word makes the most sense?

Reporting Accidents

Choices

Report all accidents on or near your vehicle, no matter how trivial they may seem.

A

B

C

D

Get the names of all persons -----1----- or involved. Secure names and address of persons -----2----- injury. Also get information on occupants of other -----3-----, persons standing near the injured, and property owners.

1.

paying

detected

rewarded

injured

2.

destroying

providing

claiming

comparing

3.

reports

vehicles

streets

licenses

Make note of any facts you may forget later.

Correct Responses:

For each of the blanks, only one of the answers provided makes sense. The only answers that make sense in the above example problem are:

1. **d** (injured)
2. **c** (claiming)
3. **b** (vehicles)
